Sir:

In response to the Notice of Abandonment, dated June 25, 2009, notifying the Applicants that the above-captioned patent application was abandoned for failure to pay the Issue Fee, the Applicants submit this Petition.

On January 22, 2009, the undersigned filed a Response to Office Action and Amendment. This submission satisfied the January 22, 2009 due date for responding to the Office Action dated September 22, 2009.

On January 22, 2009, the undersigned submitted a Change of Correspondence Address with Barnes & Thornburg LLP's Customer Number 23646. On April 3, 2008, the undersigned had submitted a previous Change of Correspondence Address with Barnes & Thornburg LLP's Customer Number 23646.

It appears that, on March 3, 2009, the USPTO mailed a Notice of Allowance and Fee(s) Due to the address for Barnes & Thornburg's Customer Number 23643. The due date

for payment of the Issue Fee was June 2, 2009. A copy of the Notice of Allowance is attached hereto as Exhibit A. The copy of the Notice of Allowance that is attached as Exhibit A was downloaded from PAIR on or about July 7, 2009 after receipt of the Notice of Abandonment noted below. A copy of the Notice of Allowance and Fee(s) Due was never received at Barnes & Thornburg LLP at either the 23643 or 23646 Customer Address.

On June 30, 2009, a Notice of Abandonment dated June 25, 2009, was received from the U.S. Patent and Trademark Office at Barnes & Thornburg's 23646 address and a copy is attached as Exhibit B. It was not until receipt of the Notice of Abandonment, dated June 25, 2009, that the undersigned counsel became aware of any discrepancy with respect to this patent application.

Pursuant to M.P.E.P. § 711.03(c), the undersigned provides the following information to the USPTO for processing of this Petition. The undersigned's law firm routinely receives correspondence from the USPTO. USPTO correspondence is provided to the firm's docketing department where the due dates are entered into the docketing system. The undersigned's law firm currently relies upon docketing software provided by Computer Packages, Inc. ("CPI"), which is a software system widely used in patent departments in the United States. CPI's docketing software, at least to the undersigned's knowledge, is reliable and accurate. Moreover, the procedures employed by the undersigned's law firm are also believed to be reliable.

As evidence of the non-receipt of the Notice of Allowance, the undersigned provides a copy of the docket for June 2, 2009. This is attached hereto as Exhibit C. Exhibit C provides a listing of the docket for June 2, 2009 that includes all of the due dates from Barnes & Thornburg LLP for June 2, 2009. The due date for payment of the Issue Fee is not included in the docket report in Exhibit C.

As also required by M.P.E.P. § 711.03(c), and as stated above, the undersigned's law firm did not receive a copy of the Notice of Allowance dated March 2, 2009. The undersigned has reviewed the file for this application and submits that Barnes & Thornburg LLP does not have a copy of the Notice of Allowance dated March 2, 2009 except for the copy downloaded from PAIR on or about July 7, 2009.

Prior to receipt of the Notice of Abandonment, the last correspondence from the USPTO that is in the undersigned's file is an Acknowledgement Receipt, dated January 22,

2009, for the filing of the Response and Amendment and the filing of the Change of Correspondence Address.

The undersigned respectfully submits that each of the requirements of M.P.E.P. § 711.03(c) are met by this submission. If, however, the USPTO would like further information for processing of this Petition, the USPTO is invited to contact the undersigned.

In view of the foregoing, the Applicant respectfully requests that the USPTO reinstate the above-captioned patent application for failure to receive the Notice of Allowance dated March 2, 2009 and it is requested that a new Notice of Allowance and Fee(s) be issued and sent to the customer address of record.

Since this Petition is being filed for failure to receive the Notice of Allowance dated March 2, 2009, the Applicant believes that no fee is due in connection with this submission. If, however, there are any additional fees required for this submission, please charge Deposit Account No. 02-1010. In addition, please credit any overpayments to the same Deposit Account.

Respectfully submitted,

Office of Patent Publication**

Information is also available on the USPTO Internet web site:
<http://www.uspto.gov/web/patents/pubs/abandonnotice.html>

Respond to the Notice of Abandonment by one of the following:

1. Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I and 37 CFR § 1.181) No fee required

Where an applicant contends that the application is not in fact abandoned (e.g., a reply was in fact filed), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181 to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f). In order for a petition to be granted, the evidence must be sufficient according to 37 CFR § 1.8(b) Certificate of Mailing; 37 CFR § 1.10 "Express Mail" mailing; or MPEP 503 Postcard Receipt as Prima Facie Evidence. The petition should be addressed as follows:

By mail: Mail Stop: Issue Fee, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 571-273-8300

2. Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (MPEP 711.03(c) II and 37 CFR § 1.181). No fee required

Where an applicant contends that the original Notice of Allowance and Fee(s) Due was never received, if adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 571-273-8300

3. Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)

Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) or (b) (accompanied by the appropriate petition fee) is necessary to revive the abandoned application. The text of these rules is available on the USPTO Internet Web site. Forms for these petitions, "Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a)," PTO/SB/61, and "Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)," PTO/SB/64, are available in the forms section of the USPTO website: <http://www.uspto.gov>.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:

By mail: Mail Stop Petition, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 571-273-8300

Note: Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment
